

EAPX

A Web Based Solution

Forward Thinking  Practical Solutions

BE Engaging | BE Efficient | BE an Expert

 EAP Expert Inc.  @eapxpsoftware www.eapexpert.com

The EAPX ecosystem will allow EAP's to massively scale distribution of their digital platforms and services

"Our goal is to help our clients accelerate technology innovation and increase revenue."

The EAPX Web Ecosystem

EAP Expert Case Management

The software that clients have come to know and love is now web based. EAP Expert is at the core of the newly branded EAP X Web Ecosystem.

ProviderFiles

With a fresh look and added functionality, ProviderFiles continues to add value for EAPs managing their Provider and Affil;iate networks.

MyAPP Customer Portal

Built from the ground up to provide a better view of your customer data, the MyAPP customer portal allows EAPs to share real insights to their customers through the web.
